DESCRIPTION

Discover your dream home in our exclusive residential development featuring 69 apartments with 2 or 3 bedrooms, boasting breathtaking panoramic views of the golf course and some residences offering captivating sea views. Positioned facing south/southwest, our apartments are bathed in natural light, creating inviting and spacious interiors.

Immerse yourself in a harmonious blend of modern living and nature, as both the development and the adjacent golf course seamlessly integrate into the picturesque surroundings, providing a truly spectacular backdrop.

Key features include:

- Apartments with expansive terraces.
- Ground floor residences featuring terraces and private gardens.
- Penthouses offering a terrace and private solarium.

Experience unparalleled quality with our high-end construction and luxurious materials. As one of Spain's top developers with a proven track record, our apartments consistently appreciate in value each year.

Phase 1 offers 36 apartments and penthouses, each with 2 or 3 bedrooms, an open-plan living room with an integrated kitchen, and 2 bathrooms.

Every home showcases:

- Spectacular panoramic views of the golf course, coast, and mountains.
- Large terraces oriented towards the southwest/west.
- A private residential complex with communal gardens and a pool.
- High-quality surface treatment in compliance with European building standards.
- Designer kitchens equipped with a ceramic hob, oven, and fridge.
- Fully equipped bathrooms, complete with a shower screen and mirror.
- Amenities such as air conditioning/heating, solar panels, thermal insulation, sound insulation, and a ventilation system.
- Ground-level private parking with pre-installed charging points for electric vehicles in each residence.

Your ideal home awaits – secure your piece of paradise today!
