## DESCRIPTION

This exceptional project of 51 apartments and penthouses stands on a hill, in what is considered the "Best Golf Resort in Europe" (according to the prestigious golfing website, Leading Courses): Finca Cortesín, with stunning views of the sea, Sierra Bermeja and Estepona Bay.

One of the main features of this construction is its low density. A small number of units in a large area; thanks to this exclusivity, the development has units with large bedrooms and terraces, with a contemporary architectural design, visually highly attractive, stylish, relaxing and with meticulous finishes, with ample space and designed to be enjoyed all of the time, with a careful orientation with impressive views.

Apartments with 2 and 3 bedrooms and 3-bedroom penthouses with f loor areas up to 151.19 m², individual gardens up to 210.25 m² and terraces up to 168.36 m². All apartments include a parking space and storeroom. Communal areas have an adult pool of almost 160 m2, SPA, gym and co-working area.

Fantastic swimming pool for adults and another for children. All swimming pools use salt chlorination. All apartments include a garage space and storage area. • Fully equipped gym. • SPA. • Changing room area with shower cubicle. • Toilets. • Storehouse. • Co-working / Co-living space.

These apartments are perfect pick for people who love the sun and golf. A place where the architecture offers wide open spaces, providing Andalusian sunshine throughout the day, cool rooms in the summer, with large terraces to enjoy the sun, the scenery and daily outdoor living.
