DESCRIPTION

Discover luxury living just above Benidorm, only a few kilometers from the finest beaches and a 35-minute drive from Alicante airport. The new residential project offers two and three bedroom terraced apartments and 2 villas with three bedrooms, all designed for a small, exclusive community of owners seeking vacation-style living every day. Enjoy ample natural light in your spacious home, with large windows connecting indoor and outdoor areas and terraces overlooking the Mediterranean. The interior is crafted for acoustic and thermal comfort, with central air conditioning, ventilation system, electric underfloor heating in bathrooms, and motorized blinds. Relax and stay active in the community's impressive central pool, Jacuzzi, children's paddling pool, multisport court, paddle tennis court, playground, bio-fitness area, dog gym, gardens, recreation areas, co-working rooms, and indoor swimming pool. The resort promotes sustainability with low light pollution, low-emissivity glass, low-water-consumption plants, and photovoltaic panels for energy savings. Design your dream home with the help of the design department, choosing from top-quality materials and flooring. Experience added security and comfort with a security checkpoint, smart mailboxes, cardioprotected space, 24-hour surveillance, and more. Accessibility for people with reduced mobility is guaranteed. Additional amenities include a multisport area, climatized pool, gourmet room, community showers, reading zone, fitness center, relaxation area, canine gym, aroma garden, chillout zone, scenic lookout, children's games area, and biofitness workout area. Prices range from 340,000 to 540,000 EUR, with handover between July and September 2025.
