DESCRIPTION

A few plots at a 10-min drive from Puerto Banus are located on a sea view that is worth dying for. The developer is one of the top three in Spain and we include our unique 'Buy-back Guarantee' and our 5% rental guarantee should you wish to take advantage on them. In this specific location you'll get an investment that is expected to increase 10% yearly during the coming ten years. Villas up to the highest standards with top-end finishing already start at €1.200.000. The modern layout of the property with the terraces will provide you with all the stunning sea view you can dream of. In each phase 12 villas will form a private community. If you are looking for: great location, nearby shopping, supermarkets, restaurants and a price that makes this investment a real cherry, we recommend you to have a look at our presentation. If you change your mind or need your money back we let you activate our 'Buy-back Guarantee' during five years after the purchase. This means that your purchase is totally risk-free and optimal for your investment of your vacation home in Spain. Contact us today for a visit at the wonderful location in La Resina that will meet all your expectations.
